

Sing Along!

PARADE

America the Beautiful

O beautiful for spacious skies, For amber waves of grain,
For purple mountain majesties
Above the fruited plain!
America! America!
God shed his grace on thee
And crown thy good with brotherhood
From sea to shining sea!

Down By the Riverside

I'm gonna lay down my sword and shield
Down by the riverside, down by the riverside, down by the riverside
I'm gonna lay down my sword and shield
Down by the riverside
Study war no more

I ain't gonna study war no more
Ain't gonna study war no more
Ain't gonna study war no more

I ain't gonna study war no more,
Ain't gonna study war no more
Ain't gonna study war no more

This Little Light of Mine

This little light of mine, I'm gonna let it shine
This little light of mine, I'm gonna let it shine
This little light of mine, I'm gonna let it shine

This Land is Your Land

This land is your land, this land is my land
From California to the New York island
From the redwood forest to the Gulf Stream waters
This land was made for you and me

Esta tierra es tuya, esta tierra es mia
Desde el horizonte, hasta la otra orilla
Desde las montañas, costas, rios y valles
La tierra es para ti y para mi

As I went walking I saw a sign there
And on the sign it said "No Trespassing"
But on the other side it didn't say nothing
That side was made for you and me

Esta tierra es tuya, esta tierra es mia
Desde California, hasta Nueva York
Esta tierra es tuya y mia tambien

This land is your land This land is my land
From California to the New York island
From the redwood forest to the Gulf Stream waters
This land was made for you and me

DAILY ANTIDOTES OF SONG!

The Citizen Tango

Take seven steps to democracy
You have rights and you are free
But your responsibility
Is to be a citizen

Listen respectfully
Even if you disagree
Stick with the facts
Learn the truth before you act
Vote, win or lose
Use your right to choose

Take seven steps to democracy
You have rights and you are free
But your responsibility
Is to be a citizen

Get out and help someone
Join together, have some fun
Speak loud and clear

Say what people need to hear
Act together, fix what's wrong
Numbers make you strong

Take seven steps to democracy
You have rights and you are free
But your responsibility
Is to be a citizen

Here's one last step to take
Be a candidate
If you see a need
Run for office, take the lead
Be the boss today
Have the final say

Take seven steps to democracy
You have rights and you are free
But your responsibility
Is to be a citizen

Be American!
